Attack! Exclusively Ranked in INC 5000 Fastest Growing Companies in the Nation

San Francisco, CA– August 24, 2011 – INC. magazine ranks Attack! as one of the fastest growing private companies in the country.

Celebrating its 30th year, the INC 500|5000 List continues to recognize top U.S. businesses leading the way in creative entrepreneurship and increased economic growth in 2011.

“Being ranked in INC. is a truly significant accomplishment for our team and an honorable way to top off our company’s 10 year anniversary.” states Christian Jurinka, Managing Partner at Attack!.

With nearly 7 million privately owned, American grown businesses registered each year, INC. recognizes only 5,000 of the most outstanding entrepreneurial leaders in the industry.

Since 2001, Attack! has delivered the best in North American event staffing, experiential services and field support. The agency continues to raise the bar in the experiential marketing and is well recognized for their stand out programs, innovative internal developments and financial success over the past years.

As a fourth year veteran on the INC. list, Attack! is ranked amongst most notable companies and brands including Zappos, Jamba Juice, Oracle, Microsoft and more.
